

Double Your Donation (or more)!

Many companies will match gifts to Voices for Children with additional funds; some even match volunteer hours and in-kind donations. Find out if your employer, or the employers of your friends and family, have matching gift programs. Some corporations that offer matching gifts are listed below. For more information, or if your employer is not listed, please contact your Human Resources department. *All monetary gifts are used to recruit, train, and equip volunteer Court Appointed Special Advocates (CASAs) to improve the lives of foster children in San Diego County. Thank you for your support!*
