INDEPENDENT AUDITOR'S REPORT

To The Board of Directors
Voices For Children
A Nonprofit Organization

We have audited the accompanying financial statements of Voices for Children, A Nonprofit Organization, which comprise the statements of financial position as of June 30, 2014 and 2013, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Voices for Children, A Nonprofit Organization, as of June 30, 2014 and 2013, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

NOTE 1 ORGANIZATION

Voices For Children (the "Organization") was founded in 1980 and incorporated as a nonprofit organization under Section 501(c)(3) of the Internal Revenue Code and under the laws of the State of California on August 12, 1982. The Organization operates the only San Diego Court Appointed Special Advocate (CASA) program in San Diego County. It trains and supervises community volunteers who are advocates for abused and neglected children in juvenile court. These volunteers undergo an extensive training program before being assigned cases involving abused children. The volunteers act as fact-finders for the judges, providing the information needed to make life-altering decisions for these children.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements have been prepared using the accrual method in conformity with generally accepted accounting principles.

Basis of Presentation - The Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash - The Organization considers financial instruments with a fixed maturity date of less than three months to be cash equivalents.

Marketable Securities - Investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values as quoted by market exchanges in the statement of financial position. Unrealized and realized gains and losses are included in the change in net assets. Investment income and gains restricted by a donor are reported as increases in unrestricted net assets if the restrictions are met (either by passage of time or by use) in the reporting period in which the income and gains are recognized.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Fair Value Measurement - The Organization follows accounting standards consistent with the FASB codification which defines fair value, establishes a framework for measuring fair value, and enhances disclosures about fair value measurements for all financial assets and liabilities.

Property and Equipment - The Organization capitalizes property and equipment in excess of $500 and has a useful life of five to seven years. Property and equipment are carried at cost. Contributed property and equipment is recorded at fair value at the date of donation. If donors stipulate how long the assets must be used, the contributions are recorded as restricted support. In the absence of such stipulations, contributions of property and equipment are recorded as unrestricted support. Depreciation is computed using the straight-line method of depreciation over the assets' estimated useful lives of five to seven years. Maintenance and repairs are charged to the expense as incurred; major renewals and betterments are capitalized. When items of property and equipment are sold or retired, the related cost and accumulated depreciation are removed from the accounts and any gain or loss is included in income.

Deferred Revenue - Revenues received in advance of a special event are deferred. The revenues are recognized when the event occurs.

Contributions - Contributions received are considered to be unrestricted and available for general use unless designated by the donor for a specific purpose. All donor-restricted support is reported as an increase in temporarily restricted net assets. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Contributions Receivable - Contributions receivable consist of unconditional promises to give and are recorded in the year the promise is made. Conditional promises are not recognized until the conditions are substantially met. Unconditional promises to give that are expected to be collected within one year are recorded at their net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of estimated cash flows. The Organization provides for probable losses on contributions receivable using the allowance method. The allowance is determined based on management's experience and collection efforts.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

The discounts on contributions receivable are computed using risk-free interest rates applicable to the years in which the promises are received. Amortization of the discount is included in contribution revenue. The interest rate used in computing the discount of estimated future cash flows was 3% for pledges received in 2014 and 2013.

Contributed Goods, Services and Facilities – The Organization has received substantial donations of goods, professional services, and use of facilities. The donations are valued at their fair value at the date of donation and are reported as unrestricted support unless explicit donor stipulations specify how donated assets must be used. The Organization recognizes the value of contributed services received if such services create or enhance nonfinancial assets or require specialized skills that are provided by individuals possessing those skills and would typically need to be purchased if not contributed. The Organization benefited from donated professional services totaling $27,000 and $19,625 for the years ended June 30, 2014 and 2013, respectively. The Organization also received the use of donated facilities valued at $23,040 and $23,328 for the years ended June 30, 2014 and 2013, respectively.

An integral component of the Organization's work with foster children is its network of over 1,300 volunteers. Many volunteers dedicate 10-15 hours or more each month to their activities with foster children and the Organization tracks their reported hours. For fiscal years ending June 2014 and 2013, the combined donated hours reported by all the Organization's volunteers totaled 64,455 and 58,335, respectively. The value of these hours is substantial, as the Independent Sector values similar services in California at $26.34 per hour as of 2013, the most recent data available (the Independent Sector's volunteer value is based on the hourly earnings provided by the Bureau of Labor Statistics, indexed to determine state's values, and increased by 12 percent estimated for fringe benefits). The Organization's volunteers are highly trained and closely supervised in their court advocacy and assessment activities; however, they do not meet the criteria under generally accepted accounting principles to be recorded as donated services.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Functional Allocation of Expenses - The Organization allocates its expenses on a functional basis among its various programs and support services. Expenditures which can be identified with a specific program or support service are allocated directly, according to their natural expenditure classification. Costs that are common to several functions are allocated among the program and supporting services on the basis of time records, space utilized, and estimates made by the Organization's management.

Advertising Costs - The Organization expenses advertising costs as incurred. Advertising expense for the year ended June 30, 2014 and 2013 was $147,702 and $100,205 respectively.

Income Taxes - The Organization is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code and did not conduct unrelated business activities. Therefore, no provision has been made for federal income taxes in the accompanying financial statements.

The Organization follows accounting standards which provide accounting and disclosure guidance about positions taken by an entity in its tax returns that might be uncertain. Management has considered its tax position and believes that all of the positions taken in its exempt organization tax returns are more likely than not to be sustained upon examination. As of June 30, 2014 and 2013, the Organization has not accrued interest or penalties related to uncertain tax positions. The Organization files tax returns in the U.S. Federal jurisdiction and the State of California. The Organization is no longer subject to U.S. and California examination by tax authorities for years before 2010 and 2009, respectively.

Reclassifications - Certain reclassifications have been made to the prior year financial statement presentation to correspond to the current year's format. Total net assets and change in net assets are unchanged due to these reclassifications.

NOTE 3 CASH

The Organization maintains its cash in two national commercial banks. Accounts at these institutions are partially insured by the Federal Deposit Insurance Corporation (FDIC). At June 30, 2014 and 2013, the Organization had approximately $529,000 and $721,000, respectively, in excess of their insured limits at the financial institutions. The Organization has not experienced any losses in such accounts. Management believes that the Organization is not exposed to any significant credit risk with respect to its cash.

Cash consists of the following:

	2014	2013
Unrestricted Cash	$ 823,322	$ 971,778
Temporarily Restricted Cash	4,062	18,306
Total Cash	$ 827,384	$ 990,084

The temporarily restricted accounts have donor restrictions on their use and cannot be used for the Organization's operational expenses.

NOTE 4 MARKETABLE SECURITIES

Marketable securities consist of the following:

2014	Cost	Fair Value
Bond Funds	$ 888,456	$ 886,570
Equity Funds	54,868	69,216
	$ 943,324	$ 955,786

2013	Cost	Fair Value
Bond Funds	$ 887,344	$ 877,402
Equity Funds	52,249	57,278
	$ 939,593	$ 934,680

Investment Income from Marketable Securities consists of the following:

	2014	2013
Interest and Dividends	$ 16,418	$ 25,543
Net Realized and Unrealized Gain/(Loss)	36,725	(670)
	$ 53,143	$ 24,873

NOTE 5 DESIGNATED CASH AND MARKETABLE SECURITIES

A reserve of cash and marketable securities was designated during the 1997 fiscal year by the Board of Directors as an emergency fund for operational expenses. For the years ending June 30, 2014 and 2013, this reserve amounted to approximately $921,000 and $906,000, respectively, which is included in the cash and marketable securities.

NOTE 6 CONTRIBUTIONS RECEIVABLE

Contributions receivable consist of the following at June 30:

	2014	2013
Unconditional Promises to Give (Due in less than one year)	$ 184,217	$ 63,790
Temporarily Restricted Pledge (Due in less than one year)	250,000	-
	$ 434,217	$ 63,790

NOTE 7 GRANTS RECEIVABLE

Grants receivable consists of amounts due from various state agencies for the salaries of certain program employees. As of June 30, 2014 and 2013, amounts due from various state agencies were $12,935 and $48,450, respectively. An allowance for doubtful accounts is accounted for using the specific identification method and uncollectible accounts are written-off after all collection attempts have been exhausted. Management believes that all grants receivable were collectible as of June 30, 2014 and 2013, therefore no allowance has been recorded.

NOTE 8 FAIR VALUE MEASUREMENT

The Organization follows the methods of fair value measurement to value its financial assets. Fair value is based on the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In order to increase consistency and comparability in fair value measurements, a fair value hierarchy that prioritizes observable and unobservable inputs used to measure fair value into three broad levels has been established, which are described below:

Level 1: Quoted prices (unadjusted) in active markets that are accessible at the measurement date for identical assets or liabilities. The fair value hierarchy gives the highest priority to Level 1 inputs.

Level 2: Observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in inactive markets; or model-derived valuations in which all significant inputs are observable or can be derived principally from or corroborated with observable market data.

Level 3: Unobservable inputs are used when little or no market data is available. The fair value hierarchy gives the lowest priority to Level 3 inputs.

Financial assets and liabilities carried at fair value at June 30, 2014 and 2013 are classified below in one of three categories described above. The table below presents the balances of assets measured at fair value on a recurring basis.

Assets	2014 Level 1	2014 Level 2	2014 Level 3	2014 Total
Marketable Securities	$ 955,786	$ -	$ -	$ 955,786

Assets	2013 Level 1	2013 Level 2	2013 Level 3	2013 Total
Marketable Securities	$ 934,680	$ -	$ -	$ 934,680

The investments in marketable securities are valued at market prices in active markets and are classified as Level 1.

NOTE 9 PROPERTY AND EQUIPMENT

Major categories of property and equipment are summarized as follows:

	Balance July 1, 2013	Additions	Disposals	Balance June 30, 2014
Office Furniture and Equipment	$ 257,414	$ 10,770	$ -	$ 268,184
