

Voices for Children is celebrating 5 years!

Alone we can do so little; together we can do so much. -Helen Keller

We can hardly believe Voices for Children has had the privilege of serving Riverside County as the local Court Appointed Special Advocate (CASA) program for five years! It has been our honor to train and support dedicated CASA volunteers who advocate daily for children who have been removed from their homes due to abuse or neglect. Please join us to celebrate our 5-year anniversary and recognize the volunteers who provide life-changing advocacy to children in foster care. We can't think of a better way to mark this special milestone than celebrating with you.

*With appreciation,
Jessica*
