

Position Title: Chief Philanthropy Officer
Reports To: President & CEO

Our Mission

Voices for Children's mission is to transform the lives of abused, neglected, and abandoned children in the foster care system by providing them with trained, volunteer Court Appointed Special Advocates (CASAs). When children are removed from their homes due to abuse, neglect, or abandonment, they enter foster care where they need the support of a caring adult more than ever. A CASA volunteer is matched with a child or sibling set when they enter care. The CASA advocates on their behalf in court, in schools, and in the community to ensure their needs are met for the duration of their time in the foster care system. At regular court hearings, the CASA volunteer reports on the child's progress and needs, which helps judges make the most informed decisions for the child's future. Voices for Children (VFC) is the only organization designated by the Superior Court to operate a CASA program in San Diego and Riverside Counties.
