JOB TITLE: Grant Writer
REPORTS TO: Grants Administrator
STATUS: Full time
PAY TYPE: Non-Exempt/Hourly
LOCATION: San Diego, California

About Us

The mission of Voices for Children (VFC) is to transform the lives of foster youth by providing them with trained volunteers, called Court Appointed Special Advocates (CASAs). CASAs get to know children and youth in foster care as individuals through one-on-one visits where they learn about a child’s strengths, personality, and goals for the future. They advocate for foster youth in court and provide judges with insight and information that helps them to make critical decisions about a child’s future. Over the past 40 years, VFC has recruited, equipped, and supported thousands of CASA volunteers who have provided life-changing support to foster youth in San Diego and Riverside Counties.

About the Position

Voices for Children is looking for a Grant Writer with excellent writing skills and a passion for improving the lives of children in the child welfare system. • You like having full responsibility for keeping track of deadlines and details.
• You have the ability to create compelling proposals based on inferences you’ve made about a donor’s interests and priorities.
• You have an interest in and appreciation for the value of data, and you are willing to use and enhance databases used to record donor and program participant information.
• You enjoy working as a member of a team.
• You are comfortable prompting other members of the grants team to take next steps or begin projects based on your intimate knowledge of the grants calendar.
